WEBSITE

APPOINTMENT

April Newsletter

Spring time is BUSY! Here are some of the most important FYIs for you to know! I will be sending home a weekly agenda with all the things starting April 8.

Prom

Saturday, April 20

9:00 pm–12:00 am

Tickets will be handed out in English classes the week of prom.

Upcoming Senior Year

- College applications usually late summer/early fall. Start narrowing down your college choices!!
- Next ACT is June 8. Registration deadline is May 3.
- If you are planning on heading to work after high school and would like help with job searching, come see me!
- Check teams for posts job, college, and military recruiter presentations!
- Summer school letters and will be sent out at the end of April.

Junior State Testing

In New Mexico, students are required to take the SAT and the NM-ASR science test as part of their graduation requirements. SAT school day is Wednesday, April 17. The SAT is free and can be used as a reportable score for college admissions and scholarship purposes! The NM-ASR science test is Thursday, April 18.

Please report to your testing room no later than 8:00 am both days. Bring your laptop with you. If you have a personal device, a testing laptop will be assigned to you for those two days.

Senior Pre-Enrollment

Senior pre-enrollment is complete. I met with all juniors and together we completed a next step plan, graduation plan/checklist, and went over transcripts. If you did not turn in your orange enrollment form, your schedule will be built for you based on your graduation checklist and next step plan. Your stapled packet must still be turned in to me, so please get that in ASAP!
