News from Mrs. Golden

Hi everyone!! Happy New Year!! I hope that each of you had an amazing break and are all rested for this semester. Second semester brings with it more activities and chances to improve from the previous semester. Please remember that every class that you are taking is important and counts for graduation.

In looking towards the future this semester is a great time to start researching colleges, trade schools or employment opportunities after high school. When doing this research a few things to remember is to look at what colleges require to be admitted and for places of employment skills do you need for that job. I am always here to help you navigate through this process!! If you need to talk or need help with your research make an appointment and I can help and answer any questions that you may have!

If you are wanting to take the February ACT Friday January 6th is the last day of regular registration.

Herff Jones will be here on Tuesday January 10th from 10:00-2:00 for class ring pick-up and re-orders. They will be in the front lobby by the main office!

As always remember to check TEAMS for announcements and communication about upcoming events.
