## News from Mrs. Golden

Hi everyone! It is hard to believe that it is already October and the first nine weeks is ending. Please remember that your first nine weeks grade is worth 40% of your semester grade so please do your best! If you have signed up to take the PSAT remember that it is Wednesday, October 12th and you will be getting more information in the weeks to come. Those of you that have signed up to take the ACT on October 22nd please be taking the time to study for this test and make sure that you have uploaded your picture for your admission ticket and that you print your admission ticket for the test. The test will be on Saturday, October 22nd and the commons area doors will open at 7:45 am! I will be sending out more information on what you will need as the test day becomes closer. If you are wanting to take the ACT in December the regular deadline will be November 4th; if you need help signing up for the December test please come and see me. I want to tell everyone that I am proud of all that you have done this nine weeks and to keep working hard!
