2021-2022

The first card is issued at no cost to the student. A replacement card will be \$5.00.

COMPULSORY SCHOOL ATTENDANCE LAW

All students shall be expected to attend school as many days as school is in session. Under new legislation, Compulsory Attendance Laws have changed. With these changes in mind, the following applies to students at Artesia High School.

STUDENT ABSENCES AND EXCUSES

Types of Absences

Definition of an Absence – When a secondary student (6th-12th grade) misses more than fifteen (15) minutes of any class period.

Excused Absences – Absences *with parent notification* to the school that their child will be absent including, but not limited to the following: personal illness, professional appointments that could not be scheduled outside school time, or serious personal and or family problems.

Unexcused Absences - Absences *without parent notification* defined but not limited to the following: personal illness, professional appointments and in-school violations that result in suspension from school. Five (5) unexcused tardies also constitute an unexcused absence. **Parent notified absences after ten (ten) 10 excused absences per year, could be considered as unexcused absences.**

Official Absences - Absences which are school related including, but not limited to: athletic contests, music contests, DECA, county fair, and sanctioned 4H and rodeo activities. A student must meet the eligibility requirements of the New Mexico Activities Association for an "official absence" to be granted.

Medical Doctor Excused Absences - Absences with written doctor notification to the school that the student was absent due to a medical appointment or a medical condition of which the student was under a doctor's care.

Court Subpoena Absences - Absences which require a student to be present in a court of law.

Out-of-School Suspension - Absences which are levied by the school administrator primarily for disciplinary reasons. A student that has been suspended from school for any reason will receive a grade of 0 for each day of suspension.

When Absent from School

State law mandates that children be in attendance during the period when school is in session. Therefore, when a student is absent, the parent shall call the school on or before the day of the absence in order to advise the school as to the reason for the absence if a telephone is available. If a parent does not have access to a phone, either at home or at work, a note will be accepted for verification purposes. (Notification to the office must be made within one business day after the absence.) All absences not verified by parental or administrative authorization, within one business day, will be considered unexcused. For absences greater than one (1) day in length, the school should be notified each day of the absence. (Principal has the authority to consider circumstances which have merit, when considering the waiver of unexcused absences.)

Students will only be allowed ten (10) unexcused absences or fifteen (15) total (excused and/or unexcused combined) absences per semester. The only exceptions to this would be official absences, medical or dental appointments, and court mandated absences. To qualify for the exceptions, a **MEDICAL/PROFESSIONAL EXCUSE ABSENCE** form must be completed and turned into the main office **when the student returns to school following the appointment.** Students will only be granted an exception for the periods which include the time they arrived until the time they left the medical or professional facility with allowable transportation time. Example: If a student has an appointment in Roswell at 10am and they are finished with their appointment at 11am, but the student does not return to school that day, then the student will only receive medical excuse for only 1-4 periods since travel time should dictate the student could have been back into school by 5th period. Periods 5-7 would be counted as an excused absence parent permission and would towards the 15 total allowable absences.

All personnel will solicit cooperation from parents in the matter of school attendance and punctuality, particularly regarding the following: The scheduling of medical and dental appointments after school hours except in cases of emergency; the scheduling of family vacations during school vacation and recess periods.

Interventions for Student Absences

(as required by NMSA 22-12A-1)

At each of the levels described below, parents will attend a meeting with school administrators or designee and an attendance team (with the student in the secondary schools) to formulate interventions and services needed to improve student attendance. Students and families who do not respond to intervention will face consequences which may include referral to the Children, Youth, and Families Department for excessive absenteeism.

- Individual Prevention – a student misses five percent (5%) (but less than ten percent (10%)) or more of the classes or days of school.
- Early Intervention – a student misses ten percent (10%) (but less than twenty percent (20%)) or more of classes or days of school.
- Intensive Support – a student misses more than twenty percent (20%) of classes or days of school.

Procedures for Notifying Parents of Student Absences

After the third (3rd), fifth (5th), and tenth (10th) unexcused absences during the current semester, parents will be notified by a form letter stating the number of student absences.

TARDIES

Definition of a Tardy – Secondary Student (6th-12th grade): Arriving to any one (1) of the seven (7) class periods during the school day after the scheduled tardy bell has rung.

A secondary student (6th-12th grade) may be tardy to any one (1) class, two (2) times per nine (9)-week period, and no action will be taken. When a student receives three tardies in any one (1) class, the student will be sent to the office and the school administrator will take appropriate disciplinary action. Additional tardies will result in further disciplinary action taken by the school administrator. Tardiness of fifteen (15) minutes or more to a class (6th-12th grade) is considered an unexcused absence. The teacher shall notify the student when such incidents are recorded as absences.

All office/teacher-caused tardies will be discouraged to the utmost. When unavoidable, a pass will be issued allowing sufficient passage time. Such situations will not be considered tardies.

Five (5) unexcused tardies (during a nine week period) shall count as an unexcused absence. Each tardy (during a nine week period) thereafter will also count as an unexcused absence.

EXTRA CREDIT FOR COMPLETING COURSE WORK

Students who complete all course work **on time** will be rewarded at the end of each nine (9) week period with points added to their final nine (9) week grade average as follows:

- Zero (0) zeros per nine (9) weeks = four (4) points added to nine (9) weeks final average
- One (1) zero per nine (9) weeks = two (2) points added to nine (9) weeks final average

****Late work will be accepted according to the teacher's procedures, yet will not count toward Extra Credit Points ****

Make Up Work for Absences

Make up work for absences is the responsibility of the student and will be allowed on the basis of one (1) day for every day missed, not to exceed two (2) weeks. **All make up work must be completed by the end of a grading period (9 weeks) regardless of normal make up allowances.** A student who misses only one (1) day on the day of a previously announced test will be responsible for making up the work the day he/she returns to school. **Any previously announced deadline date (i.e, major projects, long term assignments, etc) will be due on the announced deadline date regardless if student is absent.**

Any student who misses a semester exam will make up those exams on the following days with prior approval. Semester exams may only be made up on these days. (Fall Semester – January 3, 2022; Spring Semester –May 31, 2022)

Homebound Program

If a student is hospitalized or is out of school due to pregnancy or long-term illness, the student may be placed in the APS Virtual School. A student's parent or guardian must notify the office within two (2) days after the start of a long-term illness. The principal or assistant principal will determine whether the student should be placed in the APS Virtual School. A student that has been placed in the APS Virtual School program must bring a written physician's statement and Exclusions and Exemptions Form (J-1982 JHD-EB in School Board Manual) to the office explaining why the student is unable to attend school.

The Registrar will assist the student in completing the check-out procedure. All fees, books, and other bills owed by the student must be cleared before checking out.

It is absolutely essential that each and every student go through the entire check-out procedure at the end of the school year to assure that the student ends the school year with a clear record. Your records will not be released until all student obligations and fines are cleared.

GRADING SYSTEM

Each student will receive a report following the end of each grading period and a final report at the end of the school year. Absences are also indicated. “Student Detailed Progress Reports” will be available on the Monday after three and six weeks of each nine week grading period. The following grade letter system is used in reporting to parents:

STUDENT ELIGIBILITY FOR ALL ACTIVITY PARTICIPATION

New Mexico Activities Association (NMAA) uses the following guidelines in determining a student’s eligibility for activities and athletics.

USE OF SEMESTER GRADES ONLY: Scholastic eligibility will be determined by *semester* grades. Eligibility checks for those deemed unable to participate at *semester* will undergo checks at designated marking periods (9 weeks) during the semester. If they are passing at the 9-week marking period, they are eligible for immediate participation that semester. Fall semester eligibility will be based on the 2nd semester (S2) grades from the previous school year.

1. **NO Fs:** A student must have a minimum **GPA of 2.0 and NO Fs** in order to be eligible to participate in activities/athletics at the semester.
2. **SUMMER COURSES:** Beginning in the summer of 2018, students may make up multiple courses to attempt to gain eligibility. Any class eligible for replacement based on local district policy can be taken and have the grade replaced to gain eligibility. **The replacement classes are required to be the exact course that was listed on the official transcript (i.e., AP English must be replaced with AP English, etc.)** Artesia Public Schools only offer the following classes during summer sessions: *English I, English II, English III, English IV; Algebra I,*

Geometry, Algebra II, Financial Literacy; NM History, World History, US History, Government; Economics, Physical Science, Environmental Science, and Biology First Year. Elective classes are only offered to Seniors attempting to meet graduation requirements for their cohort. Additionally, students will only have the opportunity to make up three classes each summer school session. Session 1 is for Fall classes only with the exception of graduating seniors. Session 2 is for Spring classes only.

3. **CUMULATIVE PROVISION:** The cumulative provision (as defined by NMAA 6.2.1c) may only be used at the beginning of the semester and must include all semester grades beginning with the 9th grade year. **This provision may only be used if the student has no more than one F at the semester.**

In addition to the NMAA requirements, Artesia Public Schools has a higher standard and expectations for their students participating in activities or athletics. These additional requirements are described below:

4. Eligibility to participate in activities/athletics will also be determined at the end of the Q1 (1st 9-weeks) and Q3 (3rd 9-weeks) grading periods. Any student who has a **GPA below 2.0 or more than 1 F**, will be deemed ineligible for the following 9-week period.
5. Eligibility reports will be provided to coaches and sponsors at the 3-week and 6-week mark in each quarter. These reports will be for information only for coaches and sponsors to monitor the students in their activities or sports.
6. Eligibility reporting dates. Eligibility will be determined three school days following a grading period. Please refer to the following as guidelines for determining eligibility.

End of 2 nd Semester (S2) previous year	Must have 2.0 or higher GPA and no Fs or Cumulative (NMAA)
End of 1 st 9-weeks (Q1)	<u>May become eligible</u> if 2.0 or higher GPA and No Fs (NMAA) <u>May become ineligible</u> if below 2.0 GPA or more than 1 F (APS)
End of Semester 1 (S1)	Must have 2.0 or higher GPA and no Fs or Cumulative (NMAA)

8. **A STUDENT THAT IS NOT ELIGIBLE BY THE ABOVE REQUIREMENTS CANNOT PARTICIPATE IN ANY SCHOOL ACTIVITY THAT OCCURS OUTSIDE OF A REGULAR CLASS PERIOD.**
9. A student that does not attend school **the previous seven (7) periods before an activity** is not eligible to participate in an extra-curricular activity that day. If the absence occurs on Friday, that student is not eligible to participate in an extra-curricular activity on the following Saturday. The only exception to this rule is ***previous*** permission from the high school Principal/Asst. Principal or Athletic Director.

MID QUARTER GRADES

1. Parents and Students will be able to check on student progress at any time through the “PowerSchool” portal.
2. The purpose of the three week grade report is strictly communication to and through the coach or sponsor.
3. The purpose of the six week grade report is strictly communication to and through the coach or sponsor.

If a student quits or is removed from an extra-curricular activity because of disciplinary action, they will spend the remainder of the semester in ISS. If removed, their grade will be averaged according to prior completed assignments and/or participation. If they quit, after any scrimmage or games, they will receive a grade of “55”.

COMPETENCY BASED GRADUATION REQUIREMENTS

All students must show competency in the areas of reading, writing, math, science, and social studies in addition to passing the required courses in order to receive a high school diploma. Competency is determined through National, State, and Local demonstrations. Additionally, all juniors will be required to complete the SAT School Day test mandated by NMPED.

FAILING GRADES

Students who fail a Math or Language Arts class as a Freshmen and/or Sophomore will only be allowed to retake those classes during Summer School sessions for credit recovery. Students will not be allowed to take a Freshmen or Sophomore Math or Language Arts class for credit recovery during the regular school day. As Seniors, students who required credit recovery classes will first be obligated to schedule those credit recovery classes during night schools before affecting the regular school day schedule. Summer School will cost \$100 per class per session. Exceptions to this requirement would need approval from the Principal and Counselor.

Therefore, it is a very real responsibility and obligation of the student to take the best possible care of the books which are furnished. If a student loses a book, full textbook replacement price must be paid before another book can be issued. Students will be required to pay the full replacement cost for any lost textbook or any book damaged in such a way that it is no longer usable.

A.H.S. CAMPUS

The growth of A.H.S. from one small building in 1906 to its present plant valued in excess of \$15,000,000 is no more remarkable than its growth in students and faculty members. In 1906 there were two teachers, and three students were graduated. In 2017-2018 there were 235 graduates. A.H.S. Campus is the finest and most modern facility of its kind in the state. The parents and taxpayers of this community who provided these outstanding facilities for the students of Artesia can be justly proud of their accomplishment. The pride that we, as citizens of the campus, take in these buildings—our efforts to keep them neat, clean and beautiful—is as much a part of our tradition as is our pride in the scholastic and athletic achievements of our students. School tradition is the rightful heritage, and the sacred responsibility, of each citizen of our campus.

STUDENT ACTIVITY TICKETS

Student activity tickets are available for \$30.00 and should be purchased at the time of registration. This ticket entitles the student to all regular season High School athletic events held in Artesia.

AHS ANNUAL

Our AHS Annual is available for \$85.00 at the beginning of each school year. The yearbook will include QR barcodes with web addresses to view video highlights of over 130 AHS activities. Please reserve your copy as early as possible as it helps us with ordering procedures. Annuals are available to pick up in August the following year.

JUNIOR SENIOR PROM

Students will be issued invitations to two Proms, one for their Junior year and one for their Senior year. Freshmen and Sophomores may not attend Prom.

Guest Passes will be issued through the office. A guest must currently be enrolled in high school as a Junior or Senior, or be a high school Graduate, within the last year, in good standing. Guests must be under the age of 21. Students who have dropped out of school and are not enrolled in any educational program that leads to a GED or Diploma will not be permitted to attend. All Prom attendees must follow Artesia Public Schools Policies. Legal photo identification must be presented prior to the invitation being issued and guests must be cleared by the high school principals. No guest requests will be processed the week before prom.

INCLEMENT WEATHER

The decision to have school on the regular schedule, or place all school schedules on a “Delayed Schedule”, or dismiss school will be made with the safety of all students in mind.

The decision will be announced on KSVP radio between 6:30 a.m. and 7:00 a.m. if we are to have a cancellation or a delay.

When a “Delayed Schedule” is called, students at AHS are to report to their 3rd period class before the 3rd period tardy bell rings. If a three hour delay is called for, students will report to their 4th period class before the 4th period tardy bell rings.
